News

PE will continue to be on a Thursday afternoon. Please make sure that kit for PE indoors and outdoors is kept in school.

Homework will be sent out on a Wednesday to be returned on a Monday.

We will continue to use 'MyMaths' online homework.

English

In English we will be looking at humorous poetry, play scripts, folk tales and looking at the stories of a famous author.

We will be looking at following and writing instructions.

In our spelling and grammar work we will be learning about suffixes –ment, -ness, -ful, -less and -ly.

We will continue to learn about punctuation such as commas, apostrophes and inverted commas and using exciting adjectives and adverbs in our writing.

In reading we will be focusing on comprehension.

Maths

In maths we will be studying measures, number, and calculation. We will also be using the 4 operations to solve problems.

In number we will continue to explore the properties of number and place value.

We will be exploring the properties of 2D and 3D shapes.

We will continue to practise our skills in addition, subtraction, multiplication and division.

In calculation we will be applying our knowledge of the four operations to solving word problems.

Topic

In RE we will be learning about places of worship in different religions, we would welcome visitors who would like to talk about their places of worship.

In science we will be tending to our flowers and vegetables. We will also be studying health and growth.

Dates for your diary

The second half of the summer term is a busy time in Year 2 as we prepare for our concert. The date is still to be confirmed; we will let you know as soon as possible.

Our summer trip to Twin Lakes will take place on Thursday 30th June.

11th July- Sports' day

End of term – 22nd July

Continuous learning

In our writing we continue to concentrate on capital letters and full stops for sentences as well as using adverbs, adjectives and conjunctions to improve our writing.

We focus on quick recall of number facts and times tables (particularly 2, 10, 5 and 3 times tables) in maths.

Celebrations

Each week we celebrate our Merit winners, and our writers and mathematicians of the week.

We like to celebrate the out of school achievements of our children and share any awards, certificates or trophies they bring in during our celebration assembly on a Wednesday afternoon.
